EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.
2. Applicant's arguments filed 6/8/2004 with respect to claims 1-16 have been fully considered and are persuasive. The rejections of claims 1-16 have been withdrawn.
3. The following is an examiner's statement of reasons for allowance: None of the prior art in record taken alone or in combination discloses a method for monitoring and managing a remote server in a computer system network via a console, wherein one and only one communication line existing between the server and the console, the method comprising the steps of servicing said communication line in the server via a server database management system protocol, by receiving server management operation requests from the console and returning the requested information to the console; and using a server database management system for recognizing the server management operation requests being in a stored procedure call format, and for invoking an appropriate stored procedure encoding the requested server management operation.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Art Unit: 2154

4. Pursuant to MPEP 606.01, the title has been changed to read:

-- REMOTE SYSTEMS MANAGEMENT VIA DBMS STORED PROCEDURES AND
